

COW: The f*cked-up sequel to Bird

Elliott Chudleigh has ruined his life. He has killed both the woman he hated and the bird he loved and feels as though it is the end of the road. He knows it will not be long until they find her body and he needs to keep running... Its just... He wasn't expecting this cow to come along and turn his head. The voices in his head have so many questions: Can he find redemption? Can he find his Happy Ever After? Is he condemned to a life in either a prison or a mental ward? Will anyone else die because of him? And - more importantly - who is Freya? Does she really love him as she states or does she have her own agenda? COW is the direct follow-up to Matt Shaw's infamous tale BIRD.

WARNING: This book has some disturbing scenes and strong language. If you're a fan of neither - please do not purchase this book.
