

BIRD: The Troubled Tale of a Henpecked Husband

Bird centers around a dysfunctional husband and wife and tells the story of their relationship problems. Constantly trying to get one up on the other, the wife decides that they're going to get their own turkey for Christmas this year and fatten it up themselves, feeding it only the best of foods. Not only is it more work for her stay at home husband, but it is also a form of punishment as the bird-fancier will be the one who has to kill the turkey when the time comes. He kills it, the wife cooks it - that's what she plans. Soon the bird becomes a key character in helping the man decide what he wants from his life. Spending more and more time with the turkey, the only person who'll listen to his problems, talking things through - will he realize his marriage is over or will find a way to rekindle their love for one another? Only time will tell. **WARNING:** Some scenes ARE offensive and the language is strong. If you are easily offended, or do not like bad language - please do not purchase this title.
