

The Beyond Mind Papers Vol 3: Further Steps to a Metatranspersonal Philosophy and Psychology (Volume 3)

Volume III: Further Steps to a Metatranspersonal Philosophy and Psychology: An Evaluation of Ken Wilber's™ System and of the Ascender/Descender Debate ISBN: 978-1-57733-273-2

Volume III discusses the ascender/descender debate from a standpoint different from those of both sides of the debate, showing how to avoid the "œspiritual materialism" of those systems that posit the need to build successive structures rather than Seeing through all structures" which is what Buddhism in general and Dzogchen in particular do. This remarkable manuscript presents the Buddhist Dzogchen insights in reader-friendly English that will instruct and inspire its readers. Its importance cannot be underestimated. Indeed, it is destined to become a classic guide to spiritual development.

Stanley Krippner, Ph.D., Alan Watts Professor of Psychology, Saybrook University I can't pretend to understand all of what Professor Elias Capriles has written in these magnificent four volumes, yet I have the utmost appreciation for the rare combination of impeccable scholarship and lived wisdom that Capriles has shared. Harris L. Friedman, Ph.D., Professor (retired), Professor Emeritus, Saybrook University, Senior Editor, International Journal of Transpersonal Studies A challenging but exhilarating adventure for any readers interested in existential, humanistic, and/or transpersonal psychologies and their intersection with Dzogchen

philosophy and practice. Douglas A. MacDonald, Ph.D., Associate Professor of Psychology, University of Detroit Mercy, Editor Emeritus, International Journal of Transpersonal Studies. These volumes exemplify precisely the direction in which I for one would like to see transpersonal psychology grow: Capriles articulates profoundly innovative ideas about the nature of mind and transformational processes through a solid grasp of the insights from a specific religious tradition. Les Lancaster, Professor Emeritus of Transpersonal Psychology, Liverpool John Moores University, UK. Current President of the International Transpersonal Association.
