

Writing Patient/Client Notes: Ensuring Accuracy in Documentation

An ideal resource for any health care professional needing to learn or improve their skills with simple, straightforward explanations of the hows and whys of documentation. It also keeps pace with the changes in Physical Therapy practice today, emphasizing the Patient/Client Management model. Section by section, exercise by exercise, the 4th Edition will help you to write clear, concise, and correct patient care notes using a variety of tools, including SOAP notes.
