

HUMANTRUTH Volume One: A World In Crisis

Produced here in two low-cost paperback volumes, John Bapty Oates challenging insights into the human condition, and specifically, the REAL reasons behind the current global crises, is a must-read for any serious student of human nature, sociology or economics. Topics covered include the evolution of human consciousness; the rise of a global economy; and the many dangers and pitfalls that await us as a species if we cannot - or will not - listen with real urgency, to the lessons that life places before us. A true heavyweight amongst contemporary philosophical works.
