

# From Canal Boy to President, or the Boyhood and Manhood of James Garfield, Vol. 1 (Classic Reprint)

If I am asked why I add one to the numerous Lives of our dead President, I answer, in the words of Hon. Chauncey M. Depew, because our annals afford no such incentive to youth as does his life, and it will become one of the Eepublic shousehold stories. I have conceived, therefore, that a biography, written with a view to interest young people in the facts of his great career, would be a praiseworthy undertaking. The biography of General Garfield, however imperfectly executed, can not but be profitable to the reader. In this story, which I have made as attractive as I am able, I make no claim to originality.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
