

Career Opportunities: Sex, Drugs, Rock n Roll, and Murder.

Jason Hart lives for three things. Casual sex, cheap drugs, and rock n roll. By the age of 18 he had come to realize that access to the first two was greatly increased by participation in the third. Jason and his band, The Angels, sail the roads of England like some latter day pirate crew, robbing, pillaging, and entertaining their way from one outrageous and hilarious disaster to the next. Lying, thieving, and thoroughly repugnant, you will find it impossible not to love Jason and his musical miscreants. Nothing is off the menu; not even murder.
