

# The New Wizard of Oz (Classic Reprint)

The winged fairies of Grimm and Andersen have brought more happiness to childish hearts than all other human creations. Yet the old-time fairy tale, having served for generations, may now be classed as historical in the childrens library; for the time has come for a series of newer wonder tales in which the stereotyped genie, dwarf and fairy are eliminated, together with all the horrible and blood-curdling incident devised by their authors to point a fearsome moral to each tale. Modern education includes morality; therefore the modern child seeks only entertainment in its wonder-tales and gladly dispenses with all disagreeable incident. Having this thought in mind, the story of The Wonderful Wizard of Oz was written solely to pleasure children of to-day. It aspires to being a modernized fairy tale, in which the wonderment and joy are retained and the heart-aches and nightmares are left out. r.. At ., L. FRANK BAUM. Chicago, A pril, 1900.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
