

The Redeemed Captive Returning to Zion, or a Faithful History of Remarkable Occurrences in the Captivity and Deliverance of Mr. John Williams, Minister of the Gospel in Deerfield (Classic Reprint)

The writer of the Memoir of the Rev. John Williams is induced to prepare another edition of u The Redeemed Captive, and lay it before the public, on account of the repeated calls for this work. A great and growing interest in antiquarian research evinces the eagerness with which the present generation seek after the particular history of their ancestors, and the desire they feel of becoming acquainted with their privations and sufferings, their hardships and dangers, in transmitting to them the beautiful heritage which they now occupy. This is especially the case with those who now reside in the immediate vicinity of the place where those hardships and privations were endured, and also to their connections, who are scattered over various parts of the country. Many others too will read the thrilling narrative with interest and pleasure. The Redeemed Captive was written and published by the Rev. John Williams, soon after his return from Indian slavery and Jesuitical persecution in 1706-7, and has since passed through six editions, the last of which was published in the year 1800; consequently the book has been long out of print.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically
