

## 8 Streams of Confluent Learning to Personal Effectiveness

One of the greatest motivators for men and women to scale heights and overcome what seems to be insurmountable odds is often an incident early in their lives that perpetually challenged them. Some try to learn the lessons well and rise above the challenges in a positive way. Others go crazy in the rat race. Others sulk and harbor resentments that lead to self-destruction and more misery. It is like climbing one's Mt. Everest while pursuing their lives and, more specifically, their chosen fields of endeavor. How can one get past personal and career life challenges and emerge victorious? By harnessing the 8 faculties of one's self, an empowering confluence of these forces will blast. The result of which is the genius in every human being--the genius in you and in me.
