Excerpt from The Life and Exploits of the Ingenious Gentleman Don Quixote De La Mancha, Vol. 3: Translated From the Original Spanish of Miguel De Cervantes Saavedra Bless me! with what impatience, illustrious, or perhaps plebeian reader, must you now be waiting for this preface, expecting to find in it resentments, railings, and invectives against the author of the second Don Quixote; him I mean, who, it is said, was begotten in Tordesillas, and born in Tarragona! But, in truth, it is not my design to give you that satisfaction; for, though injuries are apt to awaken choler in the humblest breasts, yet in mine this rule must admit of an exception. You would have me, perhaps, call him ass, madman, and coxcomb: but I have no such design. Let his own sin be his punishment; let him chew upon it, and there let it rest.
