

Gestalt Therapy: Therapy of the Situation

This seminal textbook on Gestalt therapy refreshes the theory of by revisiting its European roots. Taking the basic premise that people do the best they can in relation to their own situation, leading European therapist Georges Wollants explains Gestalt theory and provides a useful critique of commonly taught concepts. Each section approaches a key area of psychotherapy theory in context, while chapter summaries, illustrations and worked-through case examples help to make the theory accessible to all those training in Gestalt therapy. Commentaries from current experts in different areas of Gestalt provide a balanced overview of Gestalt therapy today.
