

Consenting to Grace: An Introduction to Gestalt Pastoral Care

Consenting to Grace, set in the context of the authors own healing journey, integrates healing prayer, spiritual companionship, and insights from Gestalt psychotherapy. Gestalt Pastoral Care is attentive to the intricate dance of body, mind, emotions, spirit, and social context, in the faith that God is already at work in each of these arenas to bring healing. Tilda Norberg shows how insights from Gestalt Pastoral Care can greatly enhance ministries of healing and pastoral counseling.
