

The Fashionable Adventures of Joshua Craig a Novel (Classic Reprint)

It was one of the top-floor-rear flats in the Wyandotte, not merely biggest of Washington apartment hotels, but also most exclusive which is the elegant way of saying most expensive. The Wyandotte had gone up before landlords grasped the obvious truth that in a fire-proof structure locations farthest from noise and dust should and could command highest prices; so Joshua Craig's flat was the cheapest in the house. The ninety dollars a month loomed large in his eyes, focused to little-town ideas of values; it was, in fact, small for shelter in the de luxe district of the de luxe quarter, to quote Mrs. Senator Mulvey, that simple, far-western soul, who, finding snobbishness to be the chief distinguishing mark of the Eastern upper classes, assumed it was a virtue, acquired it laboriously, and practiced it as openly and proudly as a preacher does piety.
