

Henrietta Robinson (Classic Reprint)

There have been few cases in the history of our jurisprudence, wherein the plea of insanity has been more ably discussed, and none, perhaps, which has left more serious doubts upon the public mind, notwithstanding its rejection by the jury. The charge of Judge Harris has been published in Mr. Justice Parker's recent volume of criminal reports, but it was suggested by several eminent legal gentlemen, that a full and accurate report of the testimony and proceedings might not only be of use for future reference, in cases of a like nature, but would also, perhaps, serve to render more clear the applicability of the law as laid down by the presiding judge. It was under this advice, and with no ambition to make other than a faithful record of the trial, which seemed, indeed, worthy of preservation, that the compiler was originally induced to undertake the preparation of the work. In his examination of the reporters' minutes, however, the many remarkable incidents connected with the trial, and especially the mysterious conduct of the prisoner herself, led him to make some inquiries in regard to her previous history.
