

# MasteringA&P with Pearson eText -- Standalone Access Card -- for Human Anatomy & Physiology Laboratory Manuals, Update (10th Edition) (Mastering A&P (Access Codes))

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE Used by over a million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. Pearson eText gives students access to the text whenever and wherever they can access the Internet. The eText pages look exactly like the printed text, and include powerful

interactive and customization functions. This is the product access code card for MasteringA&P Student Access Code Card and does not include the actual bound book. Intended for use with any A&P textbook, this best-selling laboratory manual features a wide variety of exercises and activities designed to meet the needs of any 2-semester anatomy & physiology laboratory course. Known for its thorough, clearly-written exercises, full-color art, and tear-out review sheets, this lab manual gives students a hands-on laboratory experience. This lab manual is available in three versions: Cat, Main, and Pig. This updated Laboratory Manual includes access to the new Practice Anatomy Lab 3.0 and new PhysioEx 9.0. It is also accompanied by MasteringA&P, an online learning and assessment system proven to help students learn. In addition to providing instructors and students with access to PAL 3.0 and PhysioEx 9.0, MasteringA&P for Marieb's HAP Lab Manual also features assignable pre-lab and post-lab quizzes for every lab exercise, art labeling activities, and assignable assessments for PAL 3.0 and PhysioEx 9.0. This package contains: MasteringA&P Student Access Code Card for Human Anatomy & Physiology Laboratory Manual, Cat Version, Update, Tenth Edition
