

The Beyond Mind Papers Vol 2: Steps to a Metatranspersonal Philosophy and Psychology (Volume 2)

Volume II: Steps to a Metatranspersonal Philosophy and Psychology: A Critique of the Systems of Wilber, Washburn and Grof, and an Outline of the Dzogchen Path to Definitive True Sanity ISBN: 978-1-57733-272-5

Volume II explains authentic Paths of Awakening and spiritual emergencies as mainly “descending” processes, not in the sense of involving regression, but in that of undoing pretenses and Seeing through all that is built, created, produced, contrived, conditioned or compounded, into the true condition that the Dzogchen teachings call the Base. This remarkable manuscript presents the Buddhist Dzogchen insights in reader-friendly English that will instruct and inspire its readers. Its importance cannot be underestimated. Indeed, it is destined to become a classic guide to spiritual development.

Stanley Krippner, Ph.D., Alan Watts Professor of Psychology, Saybrook University I can’t pretend to understand all of what Professor Elias Capriles has written in these magnificent four volumes, yet I have the utmost appreciation for the rare combination of impeccable scholarship and lived wisdom that Capriles has shared. Harris L. Friedman, Ph.D., Professor (retired), Professor Emeritus, Saybrook University, Senior Editor, International Journal of Transpersonal Studies

A challenging but exhilarating adventure for any readers interested in existential, humanistic, and/or transpersonal psychologies and their

intersection with Dzogchen philosophy and practice. Douglas A. MacDonald, Ph.D., Associate Professor of Psychology, University of Detroit Mercy, Editor Emeritus, International Journal of Transpersonal Studies. These volumes exemplify precisely the direction in which I for one would like to see transpersonal psychology grow: Capriles articulates profoundly innovative ideas about the nature of mind and transformational processes through a solid grasp of the insights from a specific religious tradition. Les Lancaster, Professor Emeritus of Transpersonal Psychology, Liverpool John Moores University, UK. Current President of the International Transpersonal Association.
