

Warrior Gap: A Story of the Sioux Outbreak of 68 (Classic Reprint)

EmiKG at ease in the lazy afternoon sunshine a single troop of cavalry was threading its way in long column of twos through the bold and beautiful foothills of the Big Horn. Behind them, glinting in the slanting rays, Cloud Peak, snow clad still although it was late in May, towered above the pinecrested summits of the range. To the right and left of the winding trail bare shoulders of bluff, covered only by the dense carpet of bunch grass, jutted out into the comparative level of the eastward plain. A clear, cold, sparkling stream, on whose banks the little command had halted for a noontide rest, went rollicking away northeastward, and many a veteran trooper looked longingly, even regretfully, after it, and then cast a gloomy glance over the barren and desolate stretch ahead. (Typographical errors above are due to OCR software and dont occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
