WinkingSkull.com PRO Anatomy Module makes sure you know your parts. WinkingSkull.com PRO is more than just a website--it is an interactive online study aid that will transform the way you learn human anatomy. WinkingSkull.com PRO consists of 1,700 illustrations--1,596 in full-color plus 104 radiographs--organized by body region with easy-to-use labels and a zoom function for razor-sharp magnification. After studying this invaluable image bank, quiz yourself against a handy timer by dragging and dropping labels onto the illustrations. You'll get your score instantly to check your own progress or to compare against other users' results. The images in each unit range from the deep to the superficial to provide you with a solid understanding of spatial and structural relationships. From the bones of the foot to the arteries of the brain, the human body has never been so accessible. Enter the access code and get three months of unlimited single-user access to this one-of-a-kind learning tool. Ideal as a learning aid or as a refresher before an exam (or as a supplement to course materials), WinkingSkull.com PRO is the definitive online study aid for must-know anatomy. Features include: -1,700 illustrations: 1,596 in full-color plus 104 radiographs--Choice of nomenclature--Latin or English--Intuitive design and user-friendly navigation -â€œLabels-on, labels-offâ€• function -Timed self-tests--with instant results -Exclusive clinical material, including MRIs and CT
