My County, it has been proved in the life of every man that though his loves are human, and therefore changeable, yet in proportion as he attaches them to things unchangeable, so they mature and broaden. On this account, Dear Sussex, are those women chiefly dear to men who, as the seasons pass, do but continue to be more and more themselves, attain balance, and abandon or forget vicissitude. And on this account, Sussex, does a man love an old house, which was his father s, and on this account does a man come to love with all his heart, that part of earth which nourished his boyhood.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
