

Second Treatise Of Government: The Original Classics - Illustrated

How is this book unique? Unabridged (100% Original content) Formatted for e-reader Font adjustments & biography included Illustrated About Second Treatise Of Government by John Locke The Second Treatise is one of the most important political treatises ever written and one of the most far-reaching in its influence. In his provocative 15-page introduction to this edition, the late eminent political theorist C. B. Macpherson examines Lockes arguments for limited, conditional government, private property, and right of revolution and suggests reasons for the appeal of these arguments in Lockes time and since.
