

Person-Centred Counselling: An Experiential Approach (Mechanics)

“This book offers a truly engaging read. The writing style is good and it gives the reader a wide range of perspectives, from the meta-theoretical to the concrete practical experience of clients and counsellors... David Rennie's book serves to continue the development as well as the exposition of the person-centred approach to counselling - British Journal of Guidance and Counselling “This is a very good book... clearly within the humanistic/experiential tradition... It seems to me to be very important that this kind of research continues - it is the raw data of the counselling profession - Person-Centred Practice This book contains powerful new ideas about person-centred th
