

# The Collected Poems of Edgar Allan Poe (Illustrated)

Best known for his tales of mystery and the macabre, Edgar Allan Poe—literary critic, editor, fictionist, and poet—stands as one of the most memorable, enduring figures of the American Romantic Movement. His poems—including “The Raven,” “The Bells,” and “Annabelle Lee”—have haunted us through time and persisted beyond books, in various forms of popular media. Poe’s poetry of mysticism, pathos, and horror are reinterpreted in the artwork of Dominique Santos included in this new edition.
