What will this book teach me? NLP gives every individual the skills and tools required in order to develop their own state of excellence, while establishing liberating views and assumptions about human beings, communication, and what change entails. On a deeper level, NLP is about discovering one's true self, identity, and purpose. NLP provides a structure for understanding and connecting to the physical aspect of human experiences that reach past the individual, into their family, locality and worldly systems. NLP is more than competence and excellence; it also equates to wisdom and vision too. Im a Beginner. Is this book for me?**

Maybe. NLP helps you capture empowering states and program more of them into your future, so you can achieve your own state of greatness, and this book contains everything you need to get started. IF you're truly ready to change NOW, and not afraid to get outside of your comfort zone, then YES, this book is for you, even if you have no knowledge of NLP! Here Is A Preview Of What You Will Learn: What is NLP? Change Your Negative Recurring Emotions NLP Technique: Resource States, and How to Create Them Stacking Resource States Program Good Feelings Into Your Future Creating a Truly Captivating Future Boost Your Self-Esteem with the Swish Technique Dissociate Out of a Negative Experience The Value of Perceptual Positions in NLP Much, Much More! Im already an NLP Expert. Is this book for me? Yes! One of the most important and useful aspects of using NLP to develop your own state of excellence is the ability to create resource states. The majority of adults will at some point in their lives experienced a sense of ultimate confidence; this may have only lasted for seconds and could have been many years ago. The advantage of NLP is that it allows the person to capture this resource and create more of that state of confidence. You've probably already experienced this, and we'll cover more details and strategies on how to make these states even more accessible to you! Download your copy today!
