

Retrospect of Western Travel, Vol. 1 of 3 (Classic Reprint)

Society in America, I had not the most remote idea of writing any thing more on the subject of the New World. I have since been strongly solicited to communicate more of my personal narrative, and of the lighter characteristics of men, and incidents of travel, than it suited my purpose to give in the other work. It has also been represented to me that, as my published book concerns the Americans at least as much as the English, there is room for another which shall supply to the English what the Americans do not want, a picture of the aspect of the country, and of its men and manners. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
