

# Getting Lucky (The Lucky Beggar Trilogy Book 1)

Karma is real and its kicking my arse. Did you ever think things couldnt possibly get any worse? Well I sure did. Living on the streets, scrounging together enough money for booze (and not much else) was hardly a glamorous lifestyle. All I wanted was a little extra cash, was that so much to ask? Now Im carrying around my very own judge and jury. I used to think I wasnt such a bad person, but apparently my new friends dont agree. Theyre doing what no-one else ever could, keeping me honest. Unfortunately thats not exactly a great fit with my current lifestyle choices. Im not in this alone though, no matter how hard I try. Ive got a mad scientist, bungling police officer, short sighted shopkeeper, vicious street thug and a rare otterhound to keep me company. Lucky me. Do you wonder how I found myself in this mess? Well its a long story. Pull up a cardboard box, pass the off-brand vodka, and Ill tell you all about it...
