

## Paradise Lost

Milton's magnum opus, the blank-verse epic poem *Paradise Lost*, was composed by the blind and impoverished Milton from 1658 to 1664 with small but significant revisions published in 1674. As a blind poet, Milton dictated his verse to a series of aides in his employ. It has been argued that the poem reflects his personal despair at the failure of the Revolution, yet affirms an ultimate optimism in human potential.
