

## Carter and Other People (Classic Reprint)

Carter was originally published in Harpers Monthly Magazine under the title The Mulatto. Death and Old Man Murtrie was printed in The New Republic; others were first brought out in Everybodys Magazine, Short Stories, Putnam's Magazine and the Saturday Evening Post. The Penitent was originally printed in The Pictorial Review, with the title The Healer and the Penitent. The plot of this story is taken from two poems, one by Browning and one by Owen Meredith. Happening to read these two poems, one after the other, I was struck by the fact that Owen Meredith had unwittingly written what was in effect a continuation of a situation invented by Browning; the plot of the one poem, telescoped into the plot of the other, made in effect a complete short story. I pasted the two situations together, so to speak, inventing an ending of my own, and had a short story which neither Browning nor Owen Meredith could claim as his and which I scarcely have the nerve to claim as mine.
