

The River and I (Classic Reprint)

Excerpt from The River and I It makes little difference to me whether or not an epic goes at a hexameter gallop through the ages, or whether it chooses to be a ood Of muddy water, ripping out a channel from the mountains to the sea. It is merely a matter of how the great dynamic force Shall express itself. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
