

Neuroanatomy: An Atlas of Structures, Sections and Systems

Without question Dr Haines book is the best selling neuroanatomy book on the market and for good reason. It provides an enormous amount of valuable information, clearly presented with excellent photographs and drawings. This new edition offers more MRI/CT examples, revised clinical correlations and a colour key for easier reference. Recommended in the Brandon/Hill selected list of print books and journals for the small medical library - April 2001 Lecturers - Click here to order a Review Copy of this title !.
