

Beings: All at once (Volume 2)

Beings is a series of picture books about felt-sense, definition and mediation. This is volume 2. The books only follows the narrative of the previous volume esoterically and in style. The pictures are drawn from the mindâ€™s eye and form an oneiric narrative within the pages. It is not a picture book for children. It is a challenge, a thought-provoking discussion of what is and isnâ€™t said, what should and should not be said, where things go haywire and where truth meets nonsense and has a lucid debate.
