

The Chimney-Corner (Classic Reprint)

My wife had just come down from an interview with a pale, faded-looking young woman in rusty black attire, who had called upon me on the very common supposition that I was an editor of the Atlantic Monthly. By the by, this is a mistake that brings me, Christopher Crowfield, many letters that do not belong to me, and which might with equal pertinency be addressed, To the Man in the Moon. Yet these letters often make my heart ache, they speak so of people who strive and sorrow and want help; and it is hard to be called on in plaintive tones for help which you know it is perfectly impossible for you to give.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
