

Overcoming Shame: The Worlds Most Universal Problem

Shame is the root of so much that steals our joy. In this book, Mike Phillips helps us find the roots to the childish belief: Something is wrong with me. Though this belief has a basis in truth, it eventually controls so much of our behavior and destiny. Though this book is small in size, it is designed to help the reader see exactly which type of shame is controlling their behavior. By seeing this from a Bible-based platform, Mike Phillips gives a simple and effective method for getting rid of the effects of shame permanently.
