

Jane Eyre: The Original Classics - Illustrated

How is this book unique? Unabridged (100% Original content) Formatted for e-reader Font adjustments & biography included Illustrated About Jane Eyre by Charlotte Brontë« Jane Eyre /ĔĔĔ™r/ (originally published as Jane Eyre: An Autobiography) is a novel by English writer Charlotte Brontë«. It was published on 16 October 1847, by Smith, Elder & Co. of London, England, under the pen name Currer Bell. The first American edition was published the following year by Harper & Brothers of New York. Primarily of the bildungsroman genre, Jane Eyre follows the emotions and experiences of its title character, including her growth to adulthood and her love for Mr. Rochester, the Byronic master of fictitious Thornfield Hall. In its internalisation of the actionâ€”the focus is on the gradual unfolding of Janes moral and spiritual sensibility, and all the events are coloured by a heightened intensity that was previously the domain of poetryâ€”Jane Eyre revolutionised the art of fiction. Charlotte Brontë« has been called the first historian of the private consciousness and the literary ancestor of writers like Joyce and Proust. The novel contains elements of social criticism, with a strong sense of morality at its core, but is nonetheless a novel many consider ahead of its time given the individualistic character of Jane and the novels exploration of classism, sexuality, religion, and proto-feminism.
