In Awakening in the Paradox of Darkness, Gary Tzu illuminates a path from within the dark realms to awakening into non-dual being. By allowing dreaded experiences such as fear, trauma, exhaustion, abandonment, nothingness, death and non-existence to serve as a portal into non-dual transformation, we discover the light within the darkness, revealing the bedazzling paradoxical mystery of existence. In this book, Gary invites readers on a healing journey into the heart of their darkest experiences, for it is there, in the midst of their most profound dread, that non-dual awakening lies.
