

The Beyond Mind Papers: Vol 4 Further Steps to a Metatranspersonal Philosophy and Psychology

The Beyond Mind Papers Transpersonal and Metatranspersonal Theory: A critique of the systems of Wilber, Washburn and Grof and an outline of the Dzogchen path to definitive true sanity Elias Capriles Volume IV: Further Steps to a Metatranspersonal Philosophy and Psychology: An Assessment of the Transpersonal Paradigms of Grof and Washburn ISBN: 978-1-57733-274-9

Volume IV further discusses the sense of “descending” in the term “descending systems,” showing that only systems that are so “in the metaphenomenological, metaexistential sense” agree with Buddhism. It features one Appendix on Greek dualistic philosophical systems, one on psychedelics, and one showing the “participative” perspective not to be inclusive.
