ã€•Aã€€New Section to Completely Cure Herpes Zoster (Shingles) & Herpes Simplex Has Been Recently Added~When You Get Herpes (Either Zoster or Simplex), Dont Be Panic and Make the Right Anatomical and Pathological Judgment with A Clear Mind!ã€‘ As people get old, they tend to have complaints of general malaise (unidentified complaints). Skin rashes are one of them. When I almost hit the big four-oh, I found blisters on my knuckles and back. The blisters on my back were located in the same area where my deceased grandma had had similar blisters. My back felt itchy and my joints were stiff in the morning. I found it thrilling and interesting, to know what our common DNA was doing to us over the years. At the same time, it became my mission to find the real cause of this disease running in my family. When I tried the treatment introduced in this book, all the uncomfortable symptoms disappeared within one week, which symptoms usually persist more than two months; therefore, it is neither a miracle nor a coincidence. You might be surprised if I tell you that skin rashes and serious diseases like MCTDs, Mixed Connective Tissue Diseases (aka CVDs, Collagen Vascular Dieases) have much in common with each other in terms of the hidden cause of diseases. The Meridian Points I will introduce in this book have been the same (for more than 1360 years!) for both cases, because Traditional Chinese Medicine (TCM) definitely knows the fundamental cause of

skin rashes as well as autoimmune disorders. This book also shows you a simple technique of tongue diagnosis. There are 6 categories, with which one can predict (and prevent) which kind of diseases people are susceptible to. You can categorize your own body conditions out of 6 categories by simply looking at your tongue. That is why the subtitle of this book is "Your Tongue Talks More about Your Diseases than Your Mouth (Tongue Diagnosis)". Human body constitutes of Qi: Air, Xue: Blood, and Sui: Water in TCM (Traditional Chinese Medicine). When one is either deficient or surplus, the flow in the body will become stagnant and could cause a disease. If you are now suffering from irritation, panic, fatigue, insomnia, or hypertension; or allergies, skin rashes (which include hives or eczema), herpes zoster (shingles), herpes simplex, hay fever, asthma, joint pain in different locations, Restless Legs Syndrome (RLS), rheumatoid arthritis, or even Mixed Connective Tissue Diseases (MCTDs), try the treatment in this book by maneuvering the Meridian Point on one finger or toe, or the combinations of a few.

Last but not least, I will also introduce the safe way to have a daily exercise because diet is inevitable for your healthy aging. Of course, you cannot forget about the "beauty side" of your life, as this book title "w/ bonus Beauty" indicates. I assure that all the rest of information in this book must help you to enrich your life: making your own safe and inexpensive skin lotion, brushing your hair in the right way, and making a perfect facial massage

for the wrinkle-free skin. \* The first reviewer who rated the second series of these Hands-on Healing @ Home books, Acupuncture @ Home with five-stars (â†â†â†â†â†) titled, This book had changed my life for the better, said, This book is a wonderful gift.
