

Person-Centred Therapy Today: New Frontiers in Theory and Practice

At the risk of being directive, I would say you should buy this book. It contains some of the most stimulating and refreshing ideas to have emerged in the person-centred literature since *On Becoming a Person* - Person Centred Practice. *Person-Centred Therapy Today* makes a timely and significant contribution to the development of one of the most popular and widely-used therapeutic approaches. This is a book that is rooted in the origins of person-centred therapy but stands at the cutting edge of new ideas developing in this tradition.
