

Clinical Nursing Skills (8th Edition)

The most complete, up-to-date and useful guide to modern clinical nursing skills available! With more than 1,200 full-color images illustrating more than 750 new and updated skills, **CLINICAL NURSING SKILLS, 8/e** is the definitive resource for best practice nursing standards, guidelines, and competencies. The authors teach through extensive case studies and critical thinking features, and thoroughly explain the rationales for each skill and technique. Strong coverage of evidence-based care, cultural/religious considerations, nursing management, and community based nursing is provided throughout. Easily adaptable to any conceptual curriculum model, this text also contains hundreds of NCLEX®-style review questions. This edition adds a new chapter on neurological care; has integrated coverage of home care throughout; provides substantial new coverage of the 2010 national patient safety goals; and contains approximately 50 new skills.
