

Human Interactions: Can We Improve Them?

Here is what Lynne Jacobs, coauthor of *The Healing Relationship in Gestalt Therapy* and a founder of the Pacific Gestalt Institute, writes in her introduction to this book ...

Ribiero [is] considered by many to be the father of Gestalt therapy and theory in Brazil. He has certainly nurtured the Brazilian Gestalt therapy baby from its earliest days onward with care, with dedication, with education and training, with exhortation and argument, and finally, with the shining quality of his presence. Brazil now has a thriving Gestalt community, richly diverse in thought and practice, alive with the squabbles and rivalries and loves of an extended family, one that owes a debt to this man and his writings. These inspiring writings are finally making their way to the English-speaking Gestalt world in the September of his life.
