

Et Tu, Babe

In this fiendishly original new novel, Mark Leyner is a leather-blazer-wearing, Piranha 793-driving, narcotic-guzzling monster who has potential rivals eliminated by his bionically enhanced bodyguards, has his internal organs tattooed, and eavesdrops on the erotic fantasies of Victorias Secret models -- which naturally revolve around him. Leyner's jet-propelled roller derby through the cultures of celebrity, cyberpunk, and rabid egotism is exhilaratingly bizarre, exhaustingly funny -- and you'd better hope it's just fiction.
