

Human Anatomy

With its unrivaled art program and accessible writing style, McKinley/O'Loughlins Human Anatomy stands apart from other anatomy texts. High-quality photographs paired with brilliantly rendered illustrations help students visualize, understand, and appreciate the wonders of human anatomy. Student-friendly Study Tips, Clinical View boxes, and progressive question sets motivate students to internalize and apply what they've learned. The second edition has been refined based on reviewer feedback to offer an even stronger version of this highly acclaimed textbook.
