

Turkey and the Turks: Being the Present State of the Ottoman Empire (Classic Reprint)

In laying this volume before the public, I have no apology to make. I did not go to Turkey to write a book, but wrote one because I was there; and if I have been severe on the inhabitants, it is not because I had a preconceived bad opinion of them, but because I found them as I have described them. I am aware that some of the statements and opinions contained in the following pages are different from those hazarded by other writers, but they are not on that account to be considered less valuable. I had opportunities of observation which mere travellers never can have, and I had more leisure for inquiry and remark, than residents usually afford for that purpose. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
