

Vegan Recipes (Every Day Recipes)

If you say the word “vegan” in a crowd, reactions may be mixed. Some may wonder why you’re speaking to yourself. Others may scoff at the vegan lifestyle while others will support you for a tough choice. For whatever reason you are or are going vegan, whether it’s health or animal rights, it’s good to know exactly what a vegan diet is and what a vegan diet does to your body. A vegan diet is the same as a vegetarian diet, but also restricts any animal byproducts such as dairy, animal fat, eggs, and more. With the Every Day Vegan Recipes book, a great variety of ideas is brought in to cook recipes for breakfast, lunch, dinner, and more. And remember, leave a review to make us happy and also to let us know what we should improve book to book!
