 - from the introduction by Josh Malerman, author of Bird Box
 From Hollywood film studios to high-security psychiatric facilities, there is an art to being a horrible person. Splatterpunk legend John Skipp turns the mirror back on ourselves, showing us all the ways that make us the worst monsters of all. A decade in the making, *The Art of Horrible People* collects John Skipp's most horrific, hilarious, and starkly honest short stories, raising horror fiction to gleefully deranged new heights.
