

The White Cockade, Vol. 2 of 3: Or Faith and Fortitude (Classic Reprint)

Excerpt from The White Cockade, Vol. 2 of 3: Or Faith and Fortitude
When paltry rogues by stealth, deceit or force,
Hazard their necks, ambitious of your purse;
For these the hangman wreathes his trusty gin,
And lets the gallows expiate their sin:
But lo a ruffian whose portentous crimes
Like plagues and earthquakes terrify the times
Triumphs through life, from legal judgment free,
For hell may hatch what law could neer foresee!
Verses, 1759.
A Short time before Bryde returned, with the captured papers, Dalquharn, as already stated, had taken his sword and pistols (the same from which he had effaced his crest and coronet, the better to conceal his name and rank) and gone forth with Mr. John Gage.
About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
