

National Physical Therapy Examination: Review & Study Guide 2013

TherapyEds NPTE Review and Study Guide is recognized as the most trusted resource in exam preparation by students, faculty, and practicing therapists throughout the country. The Guide includes a comprehensive review of physical therapy content, study and test-taking strategies, state licensure information, and three complete simulated exams on CD. All the sample exam items are categorized according to the new Content Outline and challenge students to properly prepare for the breadth, depth, and rigor of the new NPTE.
