

The Misadventures of Two Reluctant Zombie Hunters: Zombies at the Con

If you are a fan of anything zombie, this is the book for you. Snarky, sarcastic and just campy enough to make it through the gross parts. You won't want to miss meeting our two reluctant heroes as they try to escape the Con with a ragtag team of Zombie Hunting Misfits who never expected the Apocalypse to ever actually happen. This is horror comedy with a lesbian twist...and that means you have two badassesses in charge and they are taking head counts! They're stuck in the Con, and getting out is proving to be more difficult than they expected. All our reluctant adventurers want to do is get home, but it's not going to be easy. SO! Join our team of zombie hunters while they sharpen their wits, mow through zombies, and let the sarcasm flow with a sense of humor even the threat of becoming a zombie snackbox can't curtail. Warning: Graphic details and foul language. Threat of snorting milk or soda out of your nose. May be prone to sudden outbursts of laughter, talking to oneself and a sudden desire to kill zombies.
