EXTRACT 1 Marvin met Pra and Jimmy at a beach bar for a farewell lunch. After being comprehensively beaten by a gargantuan bowl of Vatapa, Marvin pulled out a holdall packed with herb and necked vials of O, They stepped to, clambering to the beach before the H kicked in. Slumped in beach chairs, Pra rolled a long necked blunt. â€œClass A man, Yvonne know you smoke?â€• â€œWhere do you think I got it?â€• â€œMother-dick, thatâ€™s one hell of a bubble,â€• Heads pasty, they started to drift, munching Sequilhos and carrot sticks. A group of topless girls played volleyball, it fell quite, â€œI must be dreaming.â€• They were off sky-high, two hours passed in a blink. A cabana boy hauling cold cans emerged. Marvin beckoned; icy cold refreshments delivered comatose relief, scintillating breeze gently coaxed sensation back to paralysed limbs. EXTRACT 2 A car horn blew, they checked the mirror, popped breath mints and clambered into the cab. The driver was full of it but claims about loose girls at Dukes, got them in the mood. They pulled up directly opposite, hopped out, breezed past the bouncers and made straight for the top bar. The

club was full but the dancefloor fashionably empty; no-one dare be first. That honour fell to the misfits, asylum Bunkie™ out on a weekend pass. Circle man, a thirty year old greaser in Travolta suit, fresh off the boat from Greece. His signature move, to pivot with toe round in a circle gradually working his way to 360, occasionally he would change direction to offer variation. They™ sit there trolleyed trying to guess when he would switch, He™ the shit, fucking genius.™ Then another popped up He™ Snake™. Snake was Italian, wore a black pin-stripe and fedora. With arms pinned he would zig and zig in tandem; the right arm down, left up, fingers pointing straight to the floor; a flawless slivering reptilian. They lapped up the spectacle, thinking it complete but were in for a treat. He™ Johnny Sommers aka Johnny Boy,™ appeared to complete the set. Johnny Sommers was a camp, pint-sized pop artist, Johnny Boy was his Dukes double. He would bunny hop into a Max Wall strut all with deadpan expression.

EXTRACT 3 Jimmy bit into a black grape, sweet with impeccable snap. Pra lapped up chin juice from a perfectly ripened pear. He™ I invited some friends down, hope you don™t mind.™ Two stunningly attractive young ladies entered wearing traditional cheongsam satin dress; He™ This is Mei and Jai,™ They smiled as they squeezed onto the sofa. Mei popped fruit into Jimmy™ mouth. As soon as he took out a smoke she lit it up, Jai followed suit. A male waiter came to the door. Tony got up to speak with him; He™ You stay here guys, I™m going to book another

hour.â€• Tony left the room. This was next level opulence they could not refuse. They continued to indulge fast and loose. Praâ€™s hands wandered up Jaiâ€™s skirt, kissing her on the neck. Mei stroked Jimmyâ€™s leg, creeping up slowly, brushing lightly at the seam. The hour wore on and Tony had not returned. Against their better judgement, they ignored the mounting signals, Jai pulled Mei onto the floor and unzipped her dress sucking them into a lewd vortex.
