

Ball of Fat (Boule de Suif) - Unabridged English Edition: From one of the greatest French writers, widely regarded as the Father of Short Story writing, ... O. Henry, Anton Chekhov and Henry James

This carefully crafted ebook: Ball of Fat (Boule de Suif) - Unabridged English Edition is formatted for your eReader with a functional and detailed table of contents. Boule de Suif (translated variously as Dumpling, Butterball, Ball of Fat or Ball of Lard) is a famous short story by the late-19th century French writer Guy de Maupassant. It is arguably his most famous short story and is the title story for his collection on the Franco-Prussian War, entitled *Boule de Suif et Autres Contes de la Guerre* (Dumpling and Other Stories of the War). The story is set in the Franco-Prussian War and follows a group of French residents of Rouen, recently occupied by the Prussian army. The ten travellers decide, for various reasons, to leave Rouen and flee to Le Havre in a stagecoach. Sharing the carriage are Boule de Suif or Butterball, a prostitute whose real name is Elisabeth Rousset; the strict Democrat Cornudet; a shop-owning couple from the petty bourgeoisie, M. and Mme. Loiseau; a wealthy upper-bourgeoisie factory-owner and his wife, M. and Mme. Carré-Lamadon; the Comte and Comtesse of Bréville; and two nuns. Thus, the carriage constitutes a microcosm of French society, representing different parts of the French population during the late 19th century. Guy de Maupassant (1850-1893) was a popular French writer, considered one of the fathers of the modern short story and one of the forms finest exponents. Maupassant was a protégé of Flaubert and his

stories are characterized by economy of style and efficient, effortless d'œuvres (outcomes). He wrote some 300 short stories, six novels, three travel books, and one volume of verse. His first published story, Boule de Suif (Ball of Fat), is often considered his masterpiece.
